

JULIUS ORKIN SAYS: "HURRY"

Monday He Reduces Fall Suit and Dress Prices to Utmost Low Limit.

"Out From Under" Sale Helps Tide Over Difficulties Presented by Enlarging and Remodeling.

Julius Orkin, the Ladies' Attire Specialist at 1510 Douglas St., is successful, to say the least. Difficulties that would make many a merchant squirm, have only served to hasten Julius Orkin's wits and pretty soon he will have surmounted all the difficulties brought about by his extensive remodeling and enlarging.

The carpenters and decorators who are making elegant, light, artistic establishments out of Julius Orkin's present quarters, have done, and are doing, their work well—but it takes time.

Julius Orkin would never have gone into this remodeling game had he thought it would have broken up his Fall season; hammers and saws shouldn't be in evidence just when a woman is inspecting the newer, prettier things for Fall and Winter wear.

But—the die is cast—workmen are hammering all around here—there is no room for show cases or wall cabinets—and the immense number of Fall garments that are arriving here daily must be sold as fast as they arrive, direct from shipping cases and express packages in most instances.

On Friday and Saturday last Julius Orkin received an unusually large shipment of Ladies' Fall Suits and Blouses direct from the east—and on Monday this entire shipment must be sold if firmly cut prices will sell them. In fact, some of these new Fall suits and blouses will go at about half the price they would have brought had the new Julius Orkin establishment been in perfect trim.

Here are the reduced prices that are effective Monday; it behooves you well to step in line and possess a new Fall Suit and two or three Blouses, now that prices have come down to the "low ebb."

Women's and Misses' suits that should be bringing \$25 are \$13.85; the \$35 grades are \$18.85, and the \$45 kinds are \$23.85.

Those crisp, new Blouses are going to sell at a like proportion of reduction; blouses that were to have brought \$1.50 and \$1.95 are \$1; \$2.95 and \$3.50 values are \$1.91; \$3.95 and \$4.50 values are \$2.91, while the blouses that were carefully chosen with an idea of selling at \$5 and \$5.95 will go for \$3.91.

Remember—the "Out-From-Under" Sale has been planned to get out from under a lot of remodeling difficulties. Julius Orkin bought many a dollar's worth of all the things that he would not have bought had he known that so long a time would elapse ere his store improvements were finished.

Even in the face of the carpenters' saws and hammers these newly arrived Fall garments must sell—at a deeply cut price—and hundreds of them will be sold by nightfall Monday.

Are you interested enough to see the newest things at a marvellously low price?

Please note. It's the Julius Orkin establishment at 1510 Douglas street.

Without Health You are not an Optimist

Optimism, which is another name for courage, is one of the most potent factors in human progress. It enables one to rally when defeat is encountered, to be brave in the face of disappointments, to fight on and on until the battle of life has been won and the heart's desire is satisfied. Optimism is best preserved in the body that is free from pain, that is not impaired by weakness. So those who take care of the health by taking Duffy's Pure Malt Whiskey as prescribed are not only preserving that which will add immensely to the joy of living, but are taking care of that which will be a mighty contribution to their success in meeting and triumphing over the difficulties encountered along the road to success. Duffy's exerts a very agreeable and beneficial action upon one's digestion and imparts a feeling of strength and vigor—that's why. Because Duffy's Pure Malt Whiskey is a true food tonic which helps feed the nerves, to increase the energy and gives fresh vigor to the overworked body and mind; many thousands regularly "Get Duffy's and keep well," and are, therefore, true optimists who give no thought to pessimistic beliefs.

TODAY'S BEAUTY HINTS

To whiten and beautify the complexion permanently we have found no better preparation than a lotion made by dissolving four ounces of spirum in a half pint of hot water, then adding two teaspoonfuls glycerine. This removes any pimples, shiny, muddy or sallow appearance, and will make anyone's skin clear, smooth and velvety. It does not show or rub off like powder; in fact, it seems a part of the skin; and for removing tan and freckles is unequalled.

Nebraska RIDGELL REFUSES TO DRAW HIS PAY

Fire Commissioner Spurns Salary Vouchers Sent Up to Him by State Treasurer.

FURTHER STATE HOUSE ROW

(From a Staff Correspondent.) LINCOLN, Sept. 18.—(Special.)—For a man who has not seen the color of his salary voucher for two months, Fire Commissioner Ridgell is the most careless individual in the state house. Yesterday the state auditor sent up to the fire commissioner the warrants which have been the bone of contention. Ridgell scanned them and refused to accept them. His chief clerk, Miss Muldoon, who has also gone without money for the same length of time and was beginning to get pretty hungry, accepted the warrants personally, but not for the department.

This morning the state auditor sent up one of his most charming young women clerks with some more warrants, expecting that the hard-hearted fire commissioner would not be able to withstand the persuasive smiles of the messenger, but his heart was still of flint, and, turning upon her a withering frown, he said: "Tempt me not. I have seen no money for many moons, but you cannot make me forget my duty as a democrat, my oath as a public official or my loyalty to my country. Go back from whence ye came and linger no longer within these sacred precincts."

However, Miss Muldoon again was unable to withstand the temptation, for within that bunch of warrants were three for herself, and once more she received them.

The stand of the fire commissioner in refusing to receive the warrants can mean but one of two things, either he is going to get even with the state treasurer by starving himself to death and thus have his ghost haunt Mr. Hall the rest of his life, or he is going to bring suit to enforce the penalties called for in the state constitution. In any event it is liable to be many a long day before the doves of peace again roosts on the state house dome.

Why Solons Acted So.

Representative Norton of Polk county, floor leader of the democrats in the last session and chairman of the finance, ways and means committee, is in the city today in attendance at the meeting of the Constitutional Convention association, and when asked to state why the committee had not recommended an appropriation for the fire commission and the food commission, said to the best of his recollection Fire Commissioner Ridgell and Food Commissioner Harman had told the committee that an appropriation was not necessary in order to draw the funds.

Johnson Leaves on Trip.

State Engineer Johnson will leave Monday for an inspection of headgates in irrigation dams. This is required annually, the law specifying that these gates shall be made of cement with certain other requirements.

Burlington Appeals.

The Burlington Railway company has appealed from a judgment of the Cass county district court, which Vincent Spulak secured damages in the sum of \$1,500 for injuries received while working for the company at their shops in Plattsmouth. The handle of a lifting bar struck him in the neck and he sustained injuries for which he sued for \$2,900.

Tecumseh-Depot Rules.

Railway Commissioner Hall was in Tecumseh yesterday, where, in company with Division Superintendents Thieshoff and Lyman, he met with committee from the Commercial club and Women's club of that city with regard to new regulations and conditions surrounding the depot at that place.

No Pardon Recommended.

Layfayette Dayles, who is serving a term in the penitentiary for the killing of a farmer by the name of Mann in Keith county in 1909, will not receive a pardon or a shortening of his sentence, if the recommendation of the Board of Pardon goes for anything to the governor, Secretary Magal of the board submitting a report to that effect, approved by the other two members, to the governor yesterday.

Rural Credits Association.

The United Farmers' Rural Credits association in the name of a new loan association which is filing articles of incorporation with the secretary of state today. The company will have a capital of \$500,000. No one but farmers can borrow money of the association and then only in the amount of 50 per cent of their real property.

Omaha's Secure License.

Henry E. Thompson, aged 22, of Omaha, and Emma E. Jorgensen of the same city, aged 23, were given a license to wed by the Lancaster county license clerk yesterday.

DODGE WILL CELEBRATE STECHER DAY OCTOBER 7

DODGE, Neb., Sept. 18.—(Special.)—October 7 will be Joe Stecher day in Dodge. A diamond belt costing \$2,500 and emblematic of the wrestling championship of America will be presented to the Dodge county wonder by a committee of his friends.

Woman Masqueraded as Man; Twice Married, Once Husband, Once Wife

PROFESSOR EUGENE DE FOREST

After posing as a man for twenty-five years, Prof. "Eugene" de Forest, is now under arrest in Los Angeles on a charge of masquerading. Prof. de Forest was a well known teacher of dramatic art with offices in one of the largest business buildings here. The woman, after her arrest, confessed and told a story of two marriages, in one of which she occupied the role of wife and in the other the role of husband. At the time of her arrest she was engaged to be married to one of Los Angeles' most prominent matrons.

SUE FOR GERMAN TEACHING Societies Are Said to Be Behind Move to Test Instruction Law.

(From a Staff Correspondent.) LINCOLN, Sept. 18.—(Special.)—Teaching of German in the public schools of Nebraska City faces the people of the Otoe county capital. The courts will be called upon to settle the matter and it is probable that the result may affect the teaching of foreign languages in all the public schools of the state.

CASE WILL NOT BE ADVANCED

Attorneys representing William Gebart of that city were in the city today to file papers for a writ of mandamus to compel the school board of Nebraska City to hire a German teacher. The supreme court judges, with whom a conference was held, declared that they would not advance the case, and so this means it will be two years before the case will be decided. It is understood that the attorneys will go back to Otoe county and begin suit in the district court in the regular way.

It appears that about a year ago the matter of hiring a teacher of German in the schools of Nebraska City came up and the board, in the interests of economy decided the district could not afford it. The vote was unanimous with the exception of one man, who did not vote. The matter again came up this year and the same action was taken.

Blauser Will Set Aside by Court

(FAIRBURY, Neb., Sept. 18.—(Special Telegram.)—In probate court this afternoon Judge L. J. Nutzman set aside the last will and testament executed by Mrs. Maria Blauser of Diller, Neb., and which distributed approximately an estate of \$50,000.

This will case has occupied the attention of probate court all week. It was charged Mrs. Blauser made this will in Fairbury in 1907 and that undue influence was used by her son, C. L. E. Blauser, she bequeathed a half section of land to him, a quarter section to eight other children and only \$100 to her baby daughter.

A score of witnesses were put on the stand by both contestants and proponents. The contestants endeavored to show Mrs. Blauser had been falling in mind for several years prior to her death, last January, due to infirmities of old age. Her husband died in 1908. Mrs. Blauser and her husband were wealthy farmers residing near Diller in the eastern part of this county.

As soon as Judge Nutzman announced his decision, attorneys for C. L. E. Blauser announced they would appeal the case to district court. His counsel allege Mrs. Blauser was of sound mind to the last and that she knew what property she had, where it was, and its value.

BODY OF AVIATOR ON WAY TO GENEVA FOR BURIAL

GENEVA, Neb., Sept. 18.—(Special Telegram.)—L. L. Fisher received a telegram this morning that his son-in-law, Joseph Pendhayne, aviator, had met with an accident yesterday and died at 5:30 this morning. Mr. and Mrs. Fisher have gone to Kansas City to meet their daughter, Mrs. Carmen Pendhayne, who is on her way home with the body of her husband. Mr. Pendhayne made several exhibition flights here at the fair a year ago, and first met Miss Carmen Fisher. They were married at Omaha.

Greenwood Pioneer is Dead

(SPECIAL.)—B. B. McNurlin, a Cass county pioneer 82 years of age, died Thursday at his home at Greenwood. He had lived for thirty-five years at Greenwood and prior to that lived for some time in Mount Pleasant precinct east of here. He was a brother of E. D. McNurlin of this place.

MORE WIND AND HAIL DO DAMAGE IN STATE

East Central Nebraska Crops Suffer from Ice Storm that Bothered Corn.

PLATTE COUNTY IS HARD HIT

COLUMBIUS, Neb., Sept. 18.—(Special Telegram.)—A terrific rain storm struck the Platte County fair at 4:30 p. m. yesterday and in thirty minutes the fair grounds and city was completely flooded.

Over 5,000 people were caught in the storm trying to get from the grounds to the city for shelter. The road leading to the grounds was soon blocked with automobiles, which made it impossible to get to the city or shelter. All the hotels were filled with people and a large number of them had to sleep in garages and automobiles. The Spalding train could not make its trip on account of miles of tracks being under water. In Cedar Rapids the depot was blown to pieces. Several parties from surrounding towns who tried to get home after the storm were stalled on the roads and were compelled to stay all night in their automobiles.

This was the worst rain storm here this year. It is reported that four inches of hail fell at Cedar Rapids, destroying the corn crop.

Saltine Crops Suffer.

WILBIE, Neb., Sept. 18.—(Special.)—Crops in a strip from one-half to three miles wide and fifteen miles long, running in an almost due north and south direction, were almost entirely ruined by wind and hail yesterday afternoon. The corn in places is flat on the ground, the stalks being stripped of all leaves and only the stubs end standing. Other places where the corn is on the stalk all the leaves are stripped off and the ears are battered. A large number of windows were broken, and much poultry was killed. Some of the hail reached the size of hen's eggs, and at one place hailstones were reported three inches thick on the ground. An inch and a half of rain followed.

UNION, Neb., Sept. 18.—(Special.)—One of the worst electrical and rain storms of this season swept over this section of the country last night. T. H. Frans' residence, one mile south of town, was struck by lightning during the storm and the damage done has not been estimated yet. Weeping Water creek is over its banks at this place.

High Wind Near Weston.

BEATRICE, Neb., Sept. 18.—(Special Telegram.)—A terrific hailstorm visited the country between Weston and Plymouth last night, badly damaging corn. Many wind mills were blown down and other damage done to farm property.

Extends Into Nuckolls.

SUPERIOR, Neb., Sept. 18.—(Special Telegram.)—A heavy thunderstorm struck here last night about 8 o'clock and rain to the amount of 1.36 inches fell. Lightning struck several barns in the country, but very little live stock was killed.

R. D. SUTHERLAND SAID TO BE ON WAY TO RECOVERY

SUPERIOR, Neb., Sept. 18.—(Special Telegram.)—Robert Sutherland, father of ex-Congressman R. D. Sutherland, reports that he has heard news from his son that is encouraging, and that physicians report him on the way to recovery.

Tracks Washed Out Near Louisville.

LOUISVILLE, Neb., Sept. 18.—(Special.)—One of the heaviest rains of the season visited this section last night. The rain was accompanied by a heavy driving wind. The Burlington tracks west of here were washed out, which will delay the trains for several hours. Much corn was blown down, but is not damaged to any great extent.

More Heat for a Third Less Fuel

If you need a furnace for an old house or are building a new house investigate the Vacuum Furnace

"The Furnace Without Pipes."

Can be installed in an old or new house in One Day without cutting up the walls or weakening the construction.
